HOSPITALITY MINISTRY

The Hospitality Ministry consists of men and women who wish to volunteer their time by coming to the Spirituality Center to welcome overnight retreat groups, to oversee sponsored programs and to offer a warm welcome to anyone who comes to the Abbey for retreat, prayer or other events.

without knowing

Why is hospitality so vital to the spiritual life? Because God is present in our life – sometimes comforting, other times challenging us. By being more hospitable to the people and events of our everyday life, we may actually run into an angel or two or perhaps even God.

May we come together today to discern what God is calling us to do with this beautiful ministry of hospitality? Let us discern how we can serve the many people who come to Daylesford Abbey for quiet, contemplation and peace.

Love. Grow. Serve.

USHER MINISTRY

Hospitality at Sunday Liturgy

The ministry of Abbey ushers is one of greeting and welcome, hosting and hospitality, to the regular and visiting participants at the Abbey's liturgies. It is conducted with the same spirit as that extended to invited guests at a home. Beyond seating and distribution of programs, ushers attempt to anticipate and meet the physical and informational needs of the assembly with confidence, calm and reassurance.
