Usher Ministry

Individuals, Couples, Families

We'd love to have you join us.

The ministry of Abbey ushers is one of greeting and welcome, hosting and hospitality, to the regular and visiting participants at the Abbey's liturgies. Hopefully, it is conducted with the same spirit as that extended to invited guests at a home. Ideally, beyond seating and distribution of programs, ushers attempt to anticipate and meet the physical and informational needs of the assembly with confidence, calm and reassurance. Each usher is usually scheduled once every five to six weeks. We will communicate with you ahead of time to avoid conflicts.

- Greeting and Welcome
- Hosting and Hospitality
- Distribution of Information
- Aid and Assist
