

MINISTERING TO THOSE IN 12-STEP RECOVERY

RITA WOEHICKE, SSJ

WEDNESDAY
MARCH 14th, 2018
1 - 4 PM CONFERENCE
4 - 5 PM NETWORKING

Every minister will encounter the challenge of ministering to those who struggle with addiction and recovery. What becomes necessary is a thorough and experiential understanding of the 12-Steps. This seminar prepares the minister's heart to recognize God's activity and support the movements of grace. The Steps are as much for the minister as for those the minister serves.
